Plans are under way at the Y. M. C. A. for the annual summer free swimming lessons in the pool. Last year following the closing of the senior class of Wiesham the closing of the public schools over 100 children availed themselves of the opportunity to learn to swim, and 50 of the boys and girls became swimmers before the cond of the campaign. The campaign last year proved such a success that it is to become an annual event at the local Y, the pool being a safe place in which children may learn to swim.
